

BENCHMARK YACHTING AND CRUISE OPPORTUNITIES FLANDERS, BELGIUM

Name of Project:

Benchmark yachting and cruise opportunities Flanders, Belgium

Location:

Flanders, Belgium

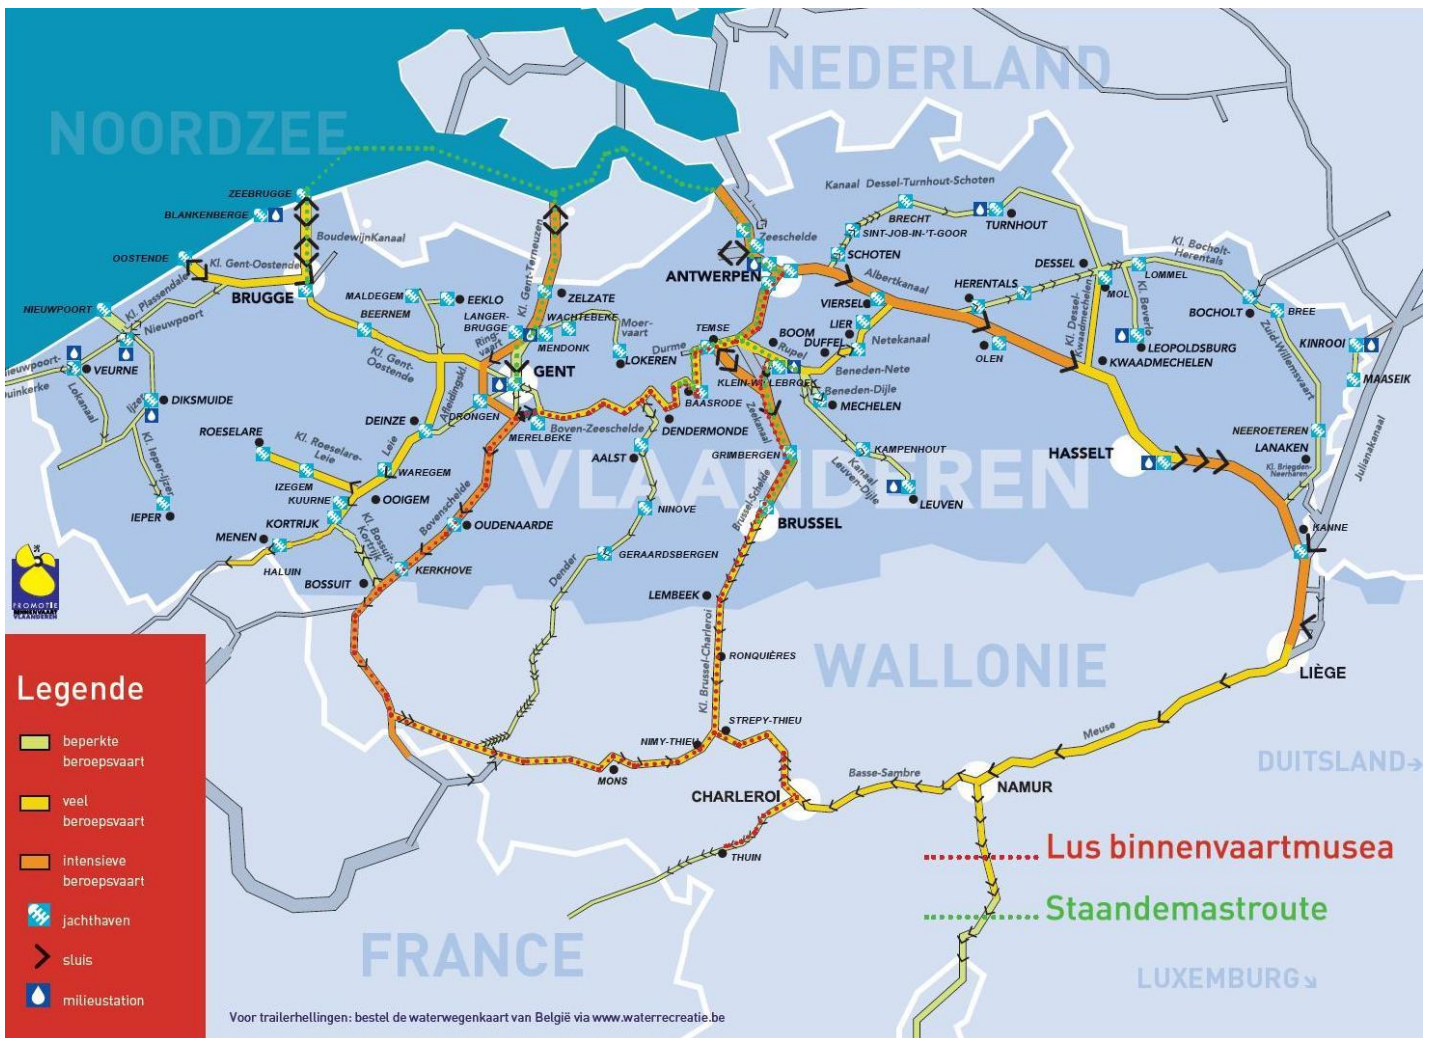

Client:

Tourism Flanders

Type of Project:

Analysis River and Cruise tourism

WA Yachting Consultants analyzed the current yachting and cruise situation in Flanders and compared this with the situation in Holland and other European countries. Though there are very interesting rivers, canals and from a cultural point of view beautiful cities in Flanders, the yachting and cruise facilities are still underdeveloped. The benchmark presented many suggestions, ready for implementation.
